Every good and perfect gift is from

We make a living by what we get, but we make a life by what we give.

Sandy - Eye surgery scheduled for retina, and recovering will be difficult with special chair that keeps your head faced down all day. Chris Carter - Has been able to work a few hours a week, & Kimberly survived first 60 hour work week. "

"You'll shoot your eye out kid" Nash/Luke - Nash took 8 point and venison on the table for the holidays. Jill/Stephen - Virginia slowly healing. Carlee ending season in Minneapolis & 2026 season starts April. Amelia has learned to crawl and is going everywhere. **"We elves try to stick to the four main food groups: candy, candy canes, candy corns and syrup."** Ava - Have you had Ava wave or look, & she is a cutie. Nicole/Ben - Bristow is all decorated up for a Cowboy Christmas!! We are loving our new home and town! Blessed.

BLACK FRIDAY - Dolores/Pete/Stephene/Helen at 7:00 AM had made their third store, and each lady had developed the agility of a ninja and the bargaining skills of a pirate captain-- dodging carts, weaving through the crowds. Their purse was stuffed with receipts, cell phones was buzzing with 'flash sale' alerts, and breakfast was now 90% whipped cream, but they were all determined to keep the Christmas spirit by buying socks for the worst half who swore they didn't want anything. **"How can you give Kris Kringle a parking ticket on Christmas Eve? What's next, rabies shots for the Easter bunny?"**

Cat Logic: My cat refused to drink water from her bowl but immediately leaped on the counter to sip from the sparkling clean sink faucet while giving me a look that clearly said, "If you question me, you disrespect my kingdom"

The Misguided GPS: I blindly followed my GPS into what it confidently called a "shortc ut" and ended up driving through a cow pasture; the cows stared at me like I had lost my mind, and I silently wondered if the GPS was trying to teach me humility.

The Invisible Cookie: I baked cookies, set them on the counter, and went to grab my phone; when I returned, only crumbs remained. I spent ten minutes interrogating my dog, then realized I had eaten them midscroll and had a cookie trail on my sweater as undeniable evidence. **"Give As You Prosper"**
