See how the farmer waits for the land to yield its valuable crop,
patiently waiting for the autumn and spring rains.

Memorize - 1 Peter 4:11 If any man speak, let him speak as the oracles of God; if any man minister, let him do it as of the ability which God giveth: that God in all things may be glorified through Jesus Christ, to whom be praise and dominion for ever and ever.

He's such a wonderful boy and he's getting so long leg and it's amazing. He got a little dirt bike motorcycle for his birthday in May this past year and he can't ride it without his dad being out on the porch so boy when he rides, he zip zips all over the place. Max my oldest grandson, still in school is a senior at Berryhill and doing his last year as the Berryhill quarterback, they won and beat Catoosa 30 something. I think it was 31 to 7 Friday night. We are so proud of Max. He's a good boy and just a good athlete and maybe it will take him further in his education when he graduates this year. Other than that that's about all the news I have for this family.

THE OBSCENE CLONE - A minister church was getting too large for him to cover all of the duties so he had a clone made of himself. All was going well, he could be in two hospitals at once praying for the sick, attend two meetings at the same time, this was his answer for his busy life. Suddenly, the genes went crazy and the cloned minister's personality changed. He started making passes towards women, yelling at drivers who cut him off, and making obscene gestors. This concerned the minister so he and the clone took a day off and went to the Sears Tower, ate lunch, and enjoyed the view from the top. The clone was looking at the skyline through a telescope, the minister pushed him over the side and that was the end of the clone. When the minister left the building and walked past the crowd that had gathered, the police stopped him and placed him under arrest. 'Under arrest?? What's the charge?' 'Making an obscene clone fall'.

I WAS considered rather sickly as a child, in the '50s, and my mother was constantly searching for ways to "build me up." She read an

article by a nutritionist who was well known then. It contained a recipe to make children strong, so she fixed it for me.

Dad shook his head over this concoction, but I held my breath and took a quick gulp. When it hit my stomach, the mixture came

up faster than it went down.

Usually, Dad let Mother try her remedies on me, but he told

HOW IS A CHRISTIAN BETTER OFF THAN OTHER PEOPLE

Perhaps if more people understood the blessings of being IN Christ, there would be more to forsake the world and "obey the gospel." How is a Christian "better off?"

1. **Those IN Christ have God as their heavenly Father.** "Beloved of God, called to be saints: Grace to you and peace from God our Father" (Romans 1:7). Those in the world have Satan as their father. "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it" (John 8:44).

2. **Those IN Christ have a sure foundation.** "Nevertheless the foundation of God standeth sure, having this seal, The Lord knoweth them that are his" (II Timothy 2:19). Those in the world have a foundation of sand. They "shall be likened unto a foolish man, which built his house upon the sand: And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell: and great was the fall of it" (Matthew 7:26-27).

3. **Those IN Christ have peace with God.** "We have peace with God through our Lord Jesus Christ" (Romans 5:1). Those in the world are counted as enemies of God. "Know ye not that friendship of the world is enmity with God? Whosoever therefore will be a friend of the world is the enemy of God" (James 4:4).

4. **Those IN Christ have hope.** "Which hope we have as an anchor of the soul, both sure and stedfast" (Hebrews 6:19). Those in the world have no hope whatsoever. They are "without Christ...strangers from the covenants of promise, having no hope, and without God in the world" (Ephesians 2:12).

Sinners may appear to "get by" now, but there's a pay-day someday. Christians must continue in the faithful work of the Lord (I Corinthians 15:58). For "he that believeth on the Son hath everlasting life: and he that believeth not the Son shall not see life; but the wrath of God abideth on him" (John 3:36). **Repent** (Luke 13:3), **confess** (Matthew 10:32), **be baptized** (Mark 16:16). If you don't, you'll never see life!

♦ I am finally the person I wish had been there for me when I was younger: someone with prescriptions for anxiety medications.

♦ If I could go back and do everything again, I'd do it all exactly the same. Because I haven't learned a single thing in my entire life.

♦ I came, I saw, I felt awkward and left.

♦ You are enough. We don't need more of you.

Why does a person believe you when you say there are 4 billion stars but checks when you say the paint is wet?

HOW MANY "EARTHS" ARE THERE? Researchers studying the existence of planets going around other stars have catalogued over 700 planets so far, but a more general study shows that on the average every star in the galaxy has 1.6 planets. That number happens because some have no planets and some have at least ten planets. If that number is correct, that would mean that there are 100 billion planets in the Milky Way galaxy. So far the planets we see are way too big and have massive problems in their orbits and makeup to support life. The question is, "If there are 100 billion of them wouldn't one have the right conditions?" We can watch stars form, and we know that process produces a large amount of debris surrounding the new star. If what we see happening is what produced all of the stars in our galaxy it would seem possible that another planet like earth could form. It would be the right size, have the right spin, and be the right distance from the star. However, there would still be a vast number of other conditions necessary for life to be able to survive, such as the shape of the orbit, the distribution of water surface area, the chemical makeup, the sequence of chemical reactions, and the magnetic structure. There are 47 such conditions that would be critical for life. Conditions could also have been met if an intelligence was involved in the formation of the system. The bottom line is that no matter how many planets are found going around other stars, there is no negative implication for arguments related to the existence of God. We are just learning more and more about the processes involved when "God created the heaven and the earth."
